INDEPENDENT AUDITORS' REPORT

To the Board of Directors of University City Children's Center and Subsidiary

Opinion

We have audited the consolidated financial statements of **University City Children's Center and Subsidiary (UCCC)**, which comprise the consolidated statements of financial position as of December 31, 2022 and 2021, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of **University City Children's Center and Subsidiary** as of December 31, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of UCCC and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other Matter

As discussed in Note 10 to the consolidated financial statements, the 2021 consolidated financial statements have been restated to correct misstatements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **University City Children's Center and Subsidiary**'s ability to continue as a going concern for one year after the date that the consolidated financial statements are issued.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of
 expressing an opinion on the effectiveness of UCCC's internal control. Accordingly, no
 such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about UCCC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

BUSINESS DESCRIPTION AND PRINCIPLES OF CONSOLIDATION

University City Children's Center is a not-for-profit organization whose two programs are its innovative early childhood education center (the Center) and LUME Institute, LLC (LUME). The accompanying financial statements consolidate the financial position, activities, functional expenses, and cash flows of the Center and LUME (collectively, UCCC). All intercompany transactions have been eliminated in the consolidation.

The Center provides innovative, quality care and education to a racially, culturally, developmentally, and socio-economically diverse population of children between the ages of six weeks and six years in a nurturing environment that provides supportive services to families. The Center serves children from over 30 zip codes in the St. Louis metropolitan area and is supported through private and government program service fees, contributions, and grants from private foundations, state government agencies, and the United Way of Greater St. Louis, Inc.

LUME seeks to transform the way families, educators, and communities inspire young children to learn, grow and thrive. LUME provides professional development for current and aspiring early childhood educators, and hosts workshops and other events to help parents and other participants support the growth and development of children.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting

UCCC uses the accrual method of accounting.

Financial Statement Presentation

UCCC reports its information regarding financial position and activities according to the following net asset classifications:

Net assets without donor restrictions

Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of UCCC. These net assets may be used at the discretion of UCCC's management and board of directors.

Net assets with donor restrictions

Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of UCCC or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity. There were no donor restrictions perpetual in nature at December 31, 2022 and 2021.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes of the statement of cash flows, UCCC considers all highly liquid investments with a maturity of three months or less to be cash equivalents.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Accounts Receivable

Accounts receivable arise in the normal course of operations. UCCC actively pursues past due accounts and provides an allowance for doubtful accounts based on historical experience and management's analysis of the current status of existing receivables. UCCC considers any accounts receivable older than 30 days to be past due, and charges off accounts receivable when all collection efforts have been unsuccessful, and management believes there is no chance for collection. Accounts receivable older than 90 days at December 31, 2022 and 2021 amounted to \$21,470 and \$29,412, respectively. Bad debt expense for the years ended December 31, 2022 and 2021 was \$8,200 and \$26,050, respectively.

Property and Equipment

Property and equipment are stated at cost, or fair market value if donated, less accumulated depreciation and amortization computed on the straight-line method over estimated useful lives of 3 to 20 years.

Contributions

Contributions that are not specifically restricted by the donor are considered to be available for use at the discretion of UCCC's management and board of directors. Contributions that are received with donor-imposed restrictions that limit the use of the donated assets are initially recorded in net assets with donor restrictions. When the restrictions are satisfied, the donated assets are recorded as net assets released from restrictions on the statement of activities and are reclassified to net assets without donor restrictions on the statement of financial position. If the restriction is satisfied in the same period in which the contribution is received, UCCC may report the contribution as unrestricted. Unconditional promises to make contributions are accrued at estimated fair value at the date each promise is received and are included in net assets with donor restrictions.

Revenue and Revenue Recognition

UCCC receives revenue from tuition, consulting services, contributions, and ticket sales from special events. UCCC recognizes revenue from tuition and consulting fees during the period in which the related services are provided. Payments received in advance of the period in which services are provided, including deposits, are deferred to the applicable period. Tuition assistance is recorded as a reduction from posted tuition rates in the period that the related tuition revenue is recognized.

UCCC recognizes contributions when cash, securities or other assets, unconditional promises to give, or a notification of a beneficial interest is received. Conditional promises to give, that is, those with a measurable performance or other barrier and a right of return, are not recognized until the conditions on which they depend have been met. There were no conditional promises to give for the years ended December 31, 2022 and 2021.

UCCC recognizes revenue from ticket sales during the period in which the special event takes place.

Functional Expenses

The costs of programs and supporting services activities have been summarized on a functional basis in the statement of activities. The statements of functional expenses present the expenses by function. Certain costs are classified as program or supporting services based on the nature of the expense. Other costs have been allocated among the programs and supporting services as determined by management on an equitable basis.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Functional Expenses (continued)

Expenses are classified as follows:

| Expense | Method of Allocation |
|---|---|
| Salaries and related expenses | Direct costs, time and effort |
| Professional fees & contract service payments | Direct costs |
| Supplies | Direct costs, headcount |
| Occupancy | Square footage |

Donated Services

During the years ended December 31, 2022 and 2021, UCCC did not recognize any amount for donated services, as the criteria for recognition was not met. UCCC pays for most services requiring specific expertise. In addition, many individuals volunteer their time and perform a variety of tasks that assist UCCC with specific programs, campaign solicitations, and various committee assignments.

Income Tax Status

UCCC is exempt from income tax pursuant to Section 501(c)(3) of the Internal Revenue Code. Therefore, no provision for income taxes is made in the accompanying financial statements.

Financial accounting standards for uncertain tax positions prohibit financial statement recognition of the impact of a tax position if the position is not "more likely than not" to be sustained on audit, based on the technical merits of the position. The Federal Forms 990 of UCCC are subject to examination by the Internal Revenue Service, generally for three years after they have been filed. As of May 31, 2023, no returns have been selected for examination.

Subsequent Events

Management has evaluated subsequent events through May 31, 2023, the date which the financial statements were available to be issued, for possible recognition or disclosure.

NOTE 2 LIQUIDITY AND AVAILABILITY

UCCC's goal is generally to maintain a level of liquidity sufficient to withstand variations in its major sources of revenue, measured by two standard deviations during the preceding five years, and to pay the cost of a major capital expense.

NOTE 4 NOTE PAYABLE

In May 2020, UCCC received an Economic Injury Disaster Loan from the U.S. Small Business Administration in the amount of \$150,000 which matures on May 28, 2050. Security for the loan includes all personal property of UCCC. The interest rate on the loan is 2.75%. The loan is payable in monthly installments of \$641 beginning in May 2021.

NOTE 4 NOTE PAYABLE (CONTINUED)

Interest from the date of the loan to the date of the first payment accrued to the principal balance of the loan. The Note payable on the Consolidated Statements of Financial Position includes accrued interest of \$4,135 on the loan prior to the first payment.

The following is a schedule of future principal payments:

| Years Ending December 31, | |
|---------------------------------|---------------|
| 2023 | 3,696 |
| 2024 | 3,797 |
| 2025 | 3,902 |
| 2026 | 4,010 |
| 2027 | 4,120 |
| Thereafter | 128,961 |
| Total Future Principal Payments | \$ 148.486 |

NOTE 5 PAYCHECK PROTECTON PROGRAM LOAN

In April 2020, UCCC applied for and was granted a \$526,900 loan under the Paycheck Protection Program (PPP) administered by the Small Business Administration (SBA). The loan was uncollateralized and fully guaranteed by the Federal government. The loan accrued interest at 1%, but payments were not required until the final amount of the loan was determined by the SBA. In accordance with Accounting Standards Update (ASU) No. 958-605, UCCC accounted for the PPP loan as a refundable advance and recognized the contribution as the conditions of the release had been substantially met. UCCC applied for and was approved for loan forgiveness in 2021. On February 21, 2021, UCCC applied for loan forgiveness for the second PPP loan and was approved for forgiveness on November 9, 2021.

NOTE 6 OPERATING LEASE

UCCC leases its building from Washington University (landlord). Under the terms of the lease, the children of graduate students and employees of the landlord have a priority right to enroll a certain number of children at the Center, and the landlord has representation on the governing board of UCCC.

The term of the lease is for a period of 20 years ending on January 31, 2024. The lease may be extended for an indefinite number of renewal periods of 10 years each.

Base rent per the lease agreement was \$1 per square foot per year through January 2019 and increased to \$2 per square foot per year thereafter. The base rent is in the process of being renegotiated.

NOTE 6 OPERATING LEASE (CONTINUED)

Effective January 1, 2022, the Company adopted the new lease accounting guidance in Accounting Standards Update No. 2016-02, Leases (Topic 842). The Company has elected the package of practical expedient permitted in ASC Topic 842. Accordingly, the Company accounted for its operating leases under the new guidance without reassessing (a) whether the contract contains a lease under ASC Topic 842, (b) whether classification of the capital leases would be different in accordance with ASC Topic 842, (c) whether the amortized initial direct costs before transition adjustments (as of December 31, 2021) would have met the definition of initial direct costs in ASC Topic 842 at lease commencement.

As a result of the adoption of the new lease accounting guidance, the Company recognized on January 1, 2022, a lease liability for operating leases of \$121,794, which represents the present value of the remaining base lease payments of \$125,788, discounted using the Company's incremental borrowing rate of 3.25%, and a right-of-use asset of \$69,241. For the year December 31, 2022, base lease payments were \$60,378.

The following is a maturity analysis of the annual undiscounted cash flows of the operating lease liabilities as follows:

| Total Future Payments | \$ 65,410 |
|---------------------------|--------------|
| 2024 | 5,032 |
| 2023 | 60,378 |
| Years Ending December 31, | |

Rent expense on the straight-line basis was \$35,153 for the years ended December 31, 2022 and 2021.

NOTE 7 EMPLOYEE BENEFIT PLAN

UCCC sponsors a defined contribution retirement plan which covers all employees who have at least 90 days of service and are age twenty-one or older. The plan allows for discretionary employer matching contributions in amounts determined by the Board of Directors on an annual basis. UCCC accrued \$16,668 and \$18,757 as contributions to the Plan for the years ended December 31, 2022 and 2021, respectively.

NOTE 9 CONCENTRATIONS OF CREDIT AND MARKET RISK

Financial instruments that potentially subject UCCC to credit and market risk consist principally of cash, cash equivalents and receivables.

UCCC places all cash and cash equivalents with major financial institutions and, by policy, attempts to limit the amount of credit exposure at any one financial institution. UCCC's cash deposits in financial institutions are insured by FDIC insurance, which is subject to certain limitations and conditions. At December 31, 2022 and 2021, cash balances exceeded FDIC limits by approximately \$866,000 and \$1,082,000, respectively. UCCC has not experienced any losses in such accounts.

Concentrations of credit risk with respect to receivables are limited due to the nature of these receivables. UCCC also receives donations of marketable securities that are subject to market risk. Market risk is the possibility that changes in market price may make a financial instrument less valuable. Market risk on donated securities is limited by UCCC's policy to promptly sell the securities.

NOTE 10 PRIOR PERIOD ADJUSTMENTS

UCCC has restated its previously issued 2021 consolidated financial statements for matters related to the following previously reported items: suspense items included in cash, revenue incorrectly reported as accounts receivable, property & equipment purchases not properly capitalized, and unrecorded accrued expenses. The accompanying financial statements for 2021 have been restated to reflect the corrections.

The effect of UCCC's previously issued financial statements is summarized as follows:
